

Two Deputies Die As Cars Crash In Tahoe, Truckee

Tahoe, Marysville Officers
Killed In Separate
Auto Crashes

Two fatal automobile collisions in this area within 24 hours were reported by the California Highway Patrol.

Richard Alfred Sheppard, 28, Colfax, who has been employed as a deputy sheriff at Lake Tahoe this summer, was killed instantly shortly before 2 a.m. Tuesday when his car got out of control on a curve at Agate Bay, half a mile west of Tahoe Vista and crashed into a tree.

Sheppard was apparently chasing a speeding car as his siren was going and the red light on the car burning, according to a witness who told State Patrolman William Gautsche she saw the vehicle pass at a terrific rate of speed just before the crash.

The body of the popular officer was removed to Colfax.

Second Deputy Dies

In a terrific head-on collision two miles west of Truckee near the entrance of Donner Memorial State Park at 6 p.m. Tuesday, Milton Maenard Vivian, 41, Marysville deputy sheriff, was killed and four other people were seriously injured.

Sgt. Ed Freeman of the California Highway Patrol, said the Vivian car, for some unapparent reason was completely in the wrong lane when a car driven by Frank Millburn, 46, Colfax, Iowa, struck it head-on.

Critically injured and taken to the Tahoe Forest Hospital by Truckee ambulance were Millburn, his wife, Margaret E.; George M. Kersey, 51, and the latter's wife, Marcella, 51, both of Des Moines. Both cars, each a red Ford, were demolished completely.

The injured are expected to recover but all suffered major injuries. Assisting Sergeant Freeman in the investigation were Patrolmen William Gautsche, Earl Crane, and Lyle Tice.

Speculation is that Vivian, alone in his east bound car, may have been watching the forest fire which was raging within sight across Donner Creek and did not see the approaching Millburn vehicle. Millburn said he did everything possible to avoid the crash.

Other Mishaps
George A. Golden, Reno and Clyde M. Howard, Alameda, were taken to the Tahoe Forest Hospital after their cars collided near Hirschdale Friday evening. Golden was cited for speeding and being on the wrong side of the highway by Patrolman Martin Sturcke and Roy Stallard.

Howard M. Souza, and his passenger, Sally George, both of Oakland, were injured when Souza's car got out of control three miles west of Soda Springs and overturned Saturday at 12:30 a.m. Souza was cited for speeding and being on the wrong side of the highway by Patrolmen Sturcke and Stallard.

Nursery School Meet Will Be Held Tuesday

There will be an organizational meeting of the mothers and fathers interested in the Truckee Parent Nursery School on Tuesday, September 13 in the cafeteria of the high school at 7:30 p.m. This meeting will be held to discuss the formation of by-laws and the program for the following year.

There will be no nursery school held on Friday, September 9 due to admission day holiday.

It should be stressed that this is a non-profit organization run for the education of parents and the welfare of their children.

Annexation Petition Is In Hands Of Board Here

After some discussion, the Truckee Sanitary Board Tuesday night took under advisement and referred to their attorney, T. L. Chamberlain of Auburn, the application for annexation into the district presented by residents of the area west of Truckee. No action will be taken pending a study of the petition.

The petition was presented by C. Edmunds who urged its adoption.

Mother Expires

Mr. and Mrs. Eugene Risden returned last week from Los Angeles where they were called by the sudden death of the latter's mother, Mrs. Vera Lord. Mrs. Lord expired following a heart attack.

Fails In Lake Swim

Water Sports Will Feature Weekend Activities In Area

Water sports at Lake Tahoe and on Donner Lake will feature the weekend activities in this district.

At the west end of Donner Sunday, the Northern California Outboard Association is sponsoring a meet which is expected to attract some speedy craft and daring drivers. The events will start at noon and continue throughout the balance of the day. The Truckee Chamber of Commerce is lending support to the program.

On Saturday the third annual Mile High Gold Cup Races will be held at Tahoe City.

Featured on this program will be J. Philip Murphy's Breathless; Henry J. Kaiser's Restless; Scooter Too and Hawaii Kai; Stanley Dollar's Short Snorter; Morlan Vies's Hurricane; the Thriftway from Seattle and Ray Crawford's Fury from Los Angeles are expected to be battling for the big cup this year. Racing will start at 10 a.m. near Tahoe City.

All classes of boats as well as the big unlimited craft will be racing during the day.

Biggest prize is the \$6000 Mapes Perpetual Gold Cup trophy.

Date Set For Big Annual Buck Stew

The annual buck stew—climaxing an active and successful year of the Truckee Outdoor Sportsmen—will be held Sunday, October 9 at Capitol Hall.

Plans for the affair were made at a meeting of the club last Thursday, when it was decided to once again present a .3006 automatic hunting rifle and 100 other items to be donated by local stores.

Charles Osburn, vice president, heads the committee in charge. He will be assisted by Mrs. Osburn and John Richards in securing the prizes. Al Holstom and Lloyd Van Sickle will provide the venison and other members of the club will assist in preparations.

Johnny and Julia Ciardella will, as usual, provide the stew and will have assistants to be named later to care for the 1000 expected to attend.

Discussions are currently centered around the selection of a queen to preside over the affair, but whether or not this feature can be added this year is problematical.

Deputy Question Will Be Aired Next Monday

It is expected that definite action will be taken at a meeting of the board of supervisors next Monday on a request from the Truckee Chamber of Commerce, Sheriff Wayne Brown and others for a second deputy sheriff in the eastern end of the county. Action was delayed at the September 1 meeting because the full board was not present.

Crystal Bay Man Held On Bad Check Charge

Danny Parker, 36, of Crystal Bay, Lake Tahoe, was booked in the Placer county jail at Auburn on a charge of issuing a bad check, following his arrest by Deputy Sheriff Eugene Dahlberg.

Sheriff William Scott said the defendant was suspected of passing a \$500 check on Jacques Voland, a chef at the White House Cafe.

Bail was set at \$5000 by Justice of the Peace Harry Charrison.

Rotary Meets

A round-table meeting at Donner Lake instead of the regular weekly session of the Truckee Rotary Club attracted five members and three visitors. The visitors were Clark Turner of Roseville, Clyde Strouss of Mill Valley and Lou P. Very of Walnut Creek. Local Rotarians were Ed Grant, Ralph Franks, Lee Nisbet, Dick Swanson and Charles Osburn. The next meeting will be on Monday at 7 p.m.

Lumber Process Firm Buys Site East of Truckee

Polaris Chosen As Location
For Plant; Work May
Start Soon

Purchase of 25 acres of land at Polaris from J. E. Joerger for establishment of a huge lumber processing plant by the Independent Builders Materials Company, Inc., of which W. E. Upton is head, was announced this week by C. S. (Butch) Beavers of the Tahoe Realty Company, who handled the transaction.

The land purchased is just east of the Paul Rausch residence between Highway 40 and the Truckee River.

Upton, according to Beavers, plans to move his entire southern California planing mills, wood products plant to the site as soon as it can be leveled and surfaced. He will also operate a sawmill, Beavers said.

The concern will concentrate on shipping and processing redwood, pine and other lumber from Eureka and other timber areas in transit to the eastern markets.

While no definite announcement was made, Beavers estimated that approximately 100 men will be required to operate the plant during its inception here.

Currently, Upton and his family are living at Crystal Bay, Nev., and plan to make their permanent home in the Tahoe area.

PLACER TAX RATE IS \$1.58 FOR YEAR

AUBURN—Placer County supervisors set a \$1.58 tax rate in approving the 1955-56 budget.

The budget calls for an all-time high assessment figure of \$85,334,750 secured tax, and \$4,694,492 unsecured tax. Of the secured roll, \$30,912,560 is on the utility roll and set by state authorities.

The final map of Squaw Valley Subdivision No. 3 was presented by Mr. and Mrs. Wayne Poulsen, who submitted a \$2000 personal bond to cover building of a property road.

Trespass Charged As Flycasters Club Invaded

Judge F. W. Wilson has issued a complaint charging two bay area fishermen with trespassing on the restricted area of the Flycasters Club east of Truckee.

The complaint was issued to Mrs. Maude Gaffield, club custodian, who told Deputy Sheriff Roy Waters that Mickey Balaban of Burbank and Wesley Maramore, San Fernando, twice ignored her request to leave after they had climbed through the fence to fish near the clubhouse.

Judge Wilson has notified the two to appear in the Truckee court September 20 and set bail at \$100 each.

Members of the club have reserved a portion of their property for private use after planting more than 3000 trout there this summer.

Small Fire At Donner Brings Out Donners

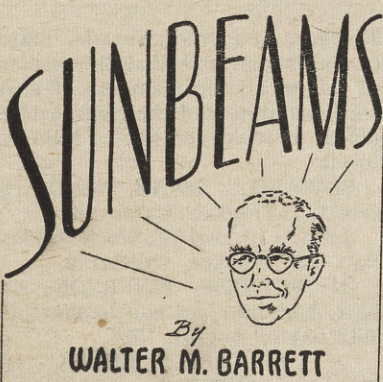

An incipient brush fire along Donner Lake Monday night at 11:30 resulted in an alarm which brought out members of the Truckee Volunteer Fire Department and the U. S. Forest Service. The flames, believed to have been started by a careless picnicker, were extinguished before any great damage was done.

Monday morning the forest service suppression crew was called to Hirschdale where a small blaze threatened. This too, was stopped before spreading.

Office At Gateway

The business office of the Truckee Tahoe Fuel Company is now conveniently located in the east side of Leamon's Furniture Store at Gateway Park, providing easier service for customers throughout this district.

Goes North—
Easton Buehler left this week to attend school in Oregon.

WALTER M. BARRETT

Our admiration of men who willingly fight fires in the forest grows each time we have occasion to observe them in action. There is one of the hottest, most tireless and perhaps dangerous job there is and the pay certainly does not provide any incentive. Usually men who fight fire accept a challenge and when we say those who responded on the fire west of Truckee Tuesday afternoon met this challenge with a vengeance, it is putting it mildly. The whole community should be grateful as their homes and businesses were saved through the work of those men. And if you think that big red fire truck patrolling the area didn't ease a very tense feeling, you are terribly mistaken. We all join in saying very humbly—thanks, a lot.

We all know the fire Tuesday was man caused like nine out of ten fires in the country. We all know too that carelessness with fire of any kind in the woods, brush or dry grass can result in more such conflagrations. What we would like to know is why people are so careless. They can see the results and should know, but even with all the facts down, they persist. May we suggest that the punishment for violators be more drastic.

Accident Decline Shown On Holiday

Despite a considerably greater number of vehicles, there were six fewer accidents in the Truckee area during the Labor Day weekend than last year, Sergeant Freeman of the California Highway Patrol reported.

The local patrol reported only three major mishaps for the weekend ended at noon Tuesday. Of these one proved a fatal, two others involved personal injuries.

The local squad issued 83 citations for violations which cause accidents. There were no drunk drivers and no reckless drivers arrested.

Plans Being Drawn For Youth Center At Lake As Fund Drive Success

Rev. A. B. Covher announced on Tuesday that plans are being drawn by a Sacramento architect for the possible construction this fall or definitely by spring of a building and court for youth recreation and Christian education facilities which will be added to the present edifice of the Methodist Community Church.

The plans are taking concrete form due to the core of willing workers and the help of Dr. Clarence Kirchner who are concentrating on the final week of fund raising from September 7-14 when they hope to reach their goal of \$36,000 for the worthwhile project.

Rev. Covher said that the collected amount early this week amounted to \$23,000 and wishes to express his thanks for the wonderful cooperation given by so many friends of the church for the youths project.

Former Pastor Dies

Rev. Gideon W. Emigh, 96 years of age died in a Reno hospital last week shortly after the death of his wife on July 25.

Rev. Emigh was pastor of the local Methodist Church 19 years ago and also was widely known in Nevada. He was a native of Cherry Tree, Ill., born on August 24, 1859.

FRACTURES ARM

Mrs. Luke Sassarini fell at her home here last week and fractured her left arm just above the wrist. In the meantime, her husband is reported in serious condition at a Nevada City hospital due to illness.

Increase Shown In Schools When Classes Resume

732 Children Enroll During
Opening Day To Set
Attendance Mark

Schools of the Tahoe-Truckee Unified School District opened for the fall term Tuesday with a total enrollment of 732, a 3.38 per cent gain over the 708 enrolled on the opening day of school in 1954.

Of the 732 total, 286 were registered in the high school. Registration for the first day of school during the 1954-1955 school year was 258. There were 450 students enrolled in the elementary schools during last year compared to 446 this term.

A comparison of enrollment figures for the high school and the four elementary schools for the 1953-1954, 1954-1955 and 1955-1956 school years is as follows:

	Elementary Schools		
	1953-1954	1954-1955	1955-1956

BOY SCOUT DRIVE DATES ANNOUNCED

The Boy Scout finance campaign for the Tahoe Area Council will be held in the Truckee and Tahoe Lake areas the week of September 12. The campaign will be held in Truckee and Kings Beach on September 13, and at Tahoe City September 14.

Colonel for the Truckee area is Lynn Kishbaugh. Majors assisting Colonel Kishbaugh are Cliff Ellis, Russell York, F. W. Wilson and N. F. Dolley.

Colonel for the Kings Beach area is Walt Mandeville. Majors on Colonel Mandeville's team are W. H. Waddell and Fred M. Schultz.

Bill Connors is colonel for the Tahoe City area. Majors assisting Colonel Connors are Ronnie Grinstead, Basil Kehoe and Bill Bechdolt.

The Tahoe Area Council, which comprises Placer and Nevada counties, and part of Sierra county, is attempting to raise \$25,000 this year to pay all expenses planned in the budget. The increasing number of Scouts throughout the council during the past two years has made it necessary to increase the budget over previous years.

Theft Reported By Man At Crystal Bay Resort

Charles C. Carmen of Buffalo Center, Iowa, told Washoe County sheriff's deputies that someone invaded his dressing room while a floor show was in progress at a Crystal Bay, Lake Tahoe, resort hotel.

Carmen said the thief took a red alligator coin purse which contained an unknown amount of currency, six silver dollars and a \$300 wristwatch.

Classified Ads Pay

Mr. and Mrs. Antone Mahne said they were well pleased with the result of the classified advertising in the Sierra Sun and Truckee Republican during the recent sale of their household goods.

After the advertisement had been in one time, Mrs. Mahne remarked that everything was sold and even after that prospective buyers continued to call.

DECORATING THE RIVERSIDE

The Riverside Hotel is putting on an attractive new front this week with painters working from top to bottom on the exterior of the local hotel.

DIGESTI HERE

Mr. and Mrs. Joe Digesti and daughter, Mrs. Geno Pierotti all of Berkeley were recent visitors at the home of Mr. and Mrs. Harry Digesti and family. Joe Digesti retired from his Southern Pacific job here some time ago and he and Mrs. Digesti moved to Berkeley to reside.

Wolverines Open Grid Schedule At Home Sept. 17th

The Tahoe-Truckee High School Wolverines, with the largest football turnout in the history of the school, are working out daily under Coach Jim Brehler and Assistant Coach Dan Holub. Forty-four varsity candidates are on the list at present, including a number of former lettermen and team members from 1954's squad which won two and lost five.

The Wolverines open their 1955 campaign at home on September 17, when they play host to the Douglas Tigers. Last year's game was also the season opener for the two Western Nevada conference clubs, and it was a fine 18 to 2 victory for Tahoe-Truckee.

The Wolverines schedule this year is:

Sept. 24—Douglas—home.
Oct. 1—Stewart—away.
Oct. 7 or 8—Carson City—away.
Oct. 14—Winnemucca—away.
Oct. 22—Manogue—home.
Oct. 29—Lovelock—home.
Nov. 5—Loyalton—away.
All afternoon games and home games will start at 2 p.m., while night contests will get under way at 7:30 p.m. The Winnemucca game is to be a Friday evening affair, and it is possible that the Carson City game will also be played at night.

District Awaiting Two Committees

The appointment of two important committees which will greatly affect this section of the state and particularly Lake Tahoe and Truckee is pending in the office of Gov. Goodwin J. Knight.

It is incumbent upon the governor to name the committees after September 7.

The first and probably the one with the most far reaching effect will be the selection of the 1960 Winter Olympic committee. This five-man board will be charged with conducting the state's interest in the games scheduled for Squaw Valley. The governor has given no indication of his choice, but is expected to select members from both the northern and southern part of California.

The second committee, and one which has considerable local interest and which may well determine the future of the area, is the water compact committee to work with a similar group from Nevada relative to waters from Lake Tahoe, the Truckee and Carson rivers and other streams on the east slope of the Sierra.

Neither of these committees could be named prior to September 7 under state law, but it is anticipated that the governor will now give the matter consideration.

SCOUTS AIDING IN DEFENSE SURVEY

Boy and Girl Scouts who are helping and expect to finish the civil defense survey this week were sworn in, as required, by Justice Posten Wilson. With Mrs. Posten Wilson the following members of the Scout organizations are active compiling information for reference in event of disaster: Varlen and Dorothea Frey, Janet Allen, Cynthia Reynolds, Donald Brown, Stanley Stock, Joe Montano, John Firpo, and Allen Young.

BURN VICTIM

Tri DeVesci, an employe at Squaw Valley, was treated at the Tahoe Forest Hospital for burns received in a gas explosion. His condition was not serious.

Girls Leaving for College—

Mrs. J. H. Bernard plans to go to Livermore today to see her granddaughters, Mary and Donna Davison, before they leave for Denver, Colo., to attend university.

AT SEQUOIA FIRE

Nelson Stone, assistant ranger of the Tahoe National Forest at Truckee, was called to assist in fighting the fire which this week ravaged the area east of Fresno in the Sequoia National Forest.

Fire Threatens Homes After 50 Acres Destroyed

Effective Fire Fighting Is
Credited With Saving
Populated Area

After burning within less than a quarter of a mile of the thickly populated and heavily wooded Meadow Park home sites and the Gateway Park area, one mile west of Truckee proper, a forest fire was brought under control Tuesday after burning over 50 acres of timber and brush land south of the Southern Pacific tracks and west of State Route 89.

The flames originated at 1:30 p.m. on what is known as Jackass Ridge just above the old goat ranch, and fanned by a tricky west wind, quickly spread into the lush dry timber, sweeping at a fast rate toward the railroad underpass on Highway 89 near Donner Creek.

Hastily recruited fire fighters augmented the crews from the Truckee U. S. Forest Service suppression crews and the Truckee Volunteer Fire Department. Fire trucks patrolled the Gateway Park streets, while willing volunteers kept a sharp lookout for flying embers which could easily have caused a very disastrous blaze.

Fifty men from the Herlong ammunition base and 12 from the Downieville forest service crew were rushed to the scene.

Once the fire did jump the tracks but fortunately Eldon Toni and Don Pickard were in the immediate area and stopped the immediate threat to the residential area. Other volunteers reported embers nearly a foot in length were extinguished as they fell in the tinder dry grass and brush north of Donner Creek.

Home owners kept their dwellings soaked with water from garden hoses as they anxiously scanned the acrid smoke clouds for falling sparks. Ashes spread over the entire area.

Wind Shifts

Toward evening, the wind shifted slightly to the south and this gave the weary fire fighters a break. Water was piled on the fire from Donner Creek as bulldozers struggled to beat back the advancing flames.

At dusk the fire was under control and a patrol was kept on the area all night to watch for spot fires or a possible flare-up of the main fire.

Nearly 200 men with all available equipment did a good job and earned the gratitude of residents and businesspeople of the district which they saved.

There are nearly 100 homes, beside a business block, the Tahoe Forest Hospital, a motel and other businesses in the threatened district.

One Gateway Park businessman summed it up in these words: "But for the grace of God and the hard work of those fire fighters, we would all be homeless today."

TWO BABIES BORN AT HOSPITAL HERE

Two new babies reported in at the Tahoe Forest Hospital this week, a girl and a boy.

Linnea Kehlet, six pound, 12 ounces, was born on Labor Day at 3:21 a.m., with Dr. L. D. Nelson in attendance. The little girl's parents are Mr. and Mrs. Darel Kehlet of Sacramento.

The following day, September 6, Gary Robert Boyer, six pounds, six ounces, arrived at 12:34 a.m. with Dr. Alan Sklar attending. Mr. and Mrs. Robert B. Boyer of Tahoe City are the parents.

Barry Leamon Feted On 11th Birthday Here

Barry, son of Mr. and Mrs. Robert Leamon who was 11 years of age on September 2 was given a dessert and Donner Theater party by his parents in observance of the event. Young friends attending are Terry Walker, Charles Glenn, Jimmy Osburn, Linda Stout, Bruce and Marcia Leamon. Relatives and neighbors of the young celebrant were served cake and tea at an afternoon party.

Leave For North

Chief Petty Officer and Mrs. Ralph Shavley and sons left for their home at Bremerton, Wash., on Saturday after visiting a week with her parents, Mr. and Mrs. P. Petroni, stopping here on their way from Ohio.

PTA MEET

There will be a PTA meeting at the Tahoe Lake School at 8 p.m. on September 15. All are urged to attend.

A Son Is Born—

Alwin Floyd, first son of Mr. and Mrs. Alwin Schell arrived Saturday, September 3 at a Reno hospital. The proud father announced that the youngster's birth weight was 6 pounds, 13 1/2 ounces.

Tahoe Items

Lake Tahoe and Truckee friends of the former Mrs. Alma Sexton of Chico received with interest the announcement of her August 24 marriage to Thomas McDowell.
McDowell is a teacher in the high school at Escalon where the couple are making their home.
Mrs. McDowell and her late husband lived in this vicinity for a number of years where they were active in civic and lodge circles.

Dr. and Mrs. G. Bruno Fuessel have left Homewood for their place at Pasadena. The Col. R. C. Jones family is leaving Carnelian Bay for Los Gatos and Mrs. Georgia Lambert who has spent the summer in Tahoe City will return to Auburn.

Howard Hampton and Anneliese Storz, both of Kings Beach, were recently issued a marriage license at Reno.

LAKE LEVEL
TAHOE CITY—With five gates open, the level of Lake Tahoe Monday stood at 6225.95 feet. Warmer than normal weather has predominated with a high of 86 on Friday and a low of 46 on Saturday, Art Frodenberg, cooperative observer, reported.

Reduction of the speed limit from 55 miles an hour was recommended by State Highway Engineer G. T. McCoy following engineering and traffic studies by the Division of Highways. The California Highway Patrol concurred in the recommendations.

In the case of the zone south of the Tahoe Wye the Division of Highways study showed that an important factor in determining the reduced speed limit was the pedestrian traffic created by persons watching the large number of trout which can be seen from the bridge across the Truckee River.

The new speed limits will be effective with the posting of signs, probably this week.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Wedding
A very nice wedding was held at the home of the Charrisons at Kings Beach last Saturday night, when Willie James Hueth and Virginia Lee Trepanier, both of Los Angeles, took the marriage vows. Frank Juarez acted as best man and Constance S. Juarez was matron of honor. The happy couple

were honeymooning at Tahoe before returning to Los Angeles where they will make their home.

Birthdays
The home of Anna Blau was the scene of a delightful triple birthday party, the birthdays of Anna Blau and Ada Judy whose birthdays were on August 31st and Jake Glunt whose fell on September 5. A fish fry was enjoyed by all present and the strains of the old yet ever new "Happy Birthday" was loud and long. Those attending included Mr. and Mrs. Fred Vercoe, Mr. and Mrs. Henry Chanda and the Glunts had as their guests their two grandsons, David and Larry. Oh yes, another guest was Rose Hall of Stockton.

In Training
My wonderful granddaughter Joellyn E. Ashton, celebrated her eighteenth birthday last Sunday and now she is on her way to Salt Lake City, where she enters Holy Cross Hospital to start nurses training for the next three years. Everyone in the community sent her on her way with the best of wishes. Happy landings, Joie.

Fair
Davie Ashton and Kirmitt Norris took in the state fair last week

and by all accounts brought back the bacon. They tell us it really is some fair this year and they had the time of their lives, but it was really hot.

Vacation
What a treat it has been over the last weekend, actually had Elsie, my wife, home just for the holidays. On Tuesday she went back to the Washoe Hospital in Reno for further therapy treatments. She had been doing wonderfully well lately and I hope to have her home for keeps very soon.

Love in the Rough
Yes, love can be wonderful. At 5 a.m. this Labor Day morn Deputy Sheriff Dick Shepperd and his assistant, brought a man and a woman to the house, and the lady, Joyce Boardman, signed a complaint against one Kenneth C. Baier for disturbing the peace. Upon being questioned Baier said he loved the lady better than anything in the world, so much so in fact he allegedly went to her cabin and smashed the door in and created a disturbance. He pleaded guilty to the charge and he was sentenced to pay a \$50 or 20 days He selected the jail term.

Stung
Just walked into Loynd's Drug Store, asked Kenny Snyder, the handsome druggist if he ever got stung, and he came right back, with "I sure did. Only the other day one of the biggest yellow jackets stung me on the foot. Boy was it sore it made me step lively for a change."

Jet
I hear Ray Sorensen, son of Andy and Alice has just registered his first Jet solo. Ray is presently at Corpus Christi, Texas. He is also one of the many Tahoe Vista products that we are all proud of.

Bereavement
We are sorry to report the passing of Andy Sorensen's sister, Lena Martin, also the beloved mother of Harvey and Billy Martin, long-time residents of this area. Mrs. Martin had been very ill for quite a long time. The funeral took place at Hayward last Saturday with all of the Sorensen family and the Martins attending. The sympathy of the whole community goes to the relatives.

Back Home
Rev. and Mrs. Covher have returned from their stay at Stockton. I understand that the weather was not too cool, but being so very busy all the time it was not noticed too much. We are glad to have them back.

Grandma
Sophia Levra tells me she is again a grandma. Her son and daughter-in-law had a beautiful son the name of whom has not been disclosed as yet. Bob Wigglesworth and family are living in North Carolina.

Busy
Well, it looks as if the beehive of traffic in Kings Beach is beginning to loosen up. It has been a nightmare for our visitors, not knowing when they were right or wrong when they parked their cars.

Off to the Races
Just saw Cloyd Sipes, our renowned barber, all decked out in a yatching cap and closely scrutinizing a speed boat, and wondered if he had intentions of entering the boat races at the Mile High event at Tahoe City. If anyone intends going, it is a wonderful view from around the postoffice in that city. The event is scheduled for Saturday. All the biggest boats will take part.

Visiting
I also saw Dr. Charles S. Young at his beautiful home in Kings Beach. The doctor is the brother of Dee Siple of Tahoe Vista.

Rebuilding
Well the big iron girders are already in place at the Stop-n-Shop of Bill and Ruth Mizner. It won't be long now before the disaster will be a thing of the past.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Warm Weather
It seems no time at all since we were writing the opening paragraph of our first column in the

early spring, and complaining about the chilly weather which hung on so persistently, and wouldn't let the sun warm up the twigs on the trees so that a few opening leaves might make a showing. And now we're complaining just the other way around—the sun is so outrageously hot that it withers the fall flowers half-opened. The thermometer on our back porch begins climbing into

the eighties in mid-morning, and keeps going up through the afternoon till we are afraid to look at it any more. And then just as we are beginning to wring our hands and moan, "Oh, I'm smothering—it's so hot—so hot"—suddenly there comes a letter from relatives in Los Angeles, and after reading it we know we were mistaken in the state of weather at Tahoe. Our Thermometer at the highest registered only around 88 degrees, and the letter states that in Los Angeles during the past week or more the excessive heat ranged between 108 and 118 above. So we guess maybe the Tahoe weather is alright after all.

Busy Weekend
The holiday weekend in this locality was just one big buzz of activity and swarming in humanity. Visitors here from the lower regions go into raptures over the cool refreshing mountain atmosphere. All the lodges, motels and cabin courts are reserved weeks ahead and many motorists camp in their cars along the lakeshore and river banks.

Saddened by Death
Many friends and neighbors in this locality were saddened during the past week by the sudden

passing of Edwin Letts Oliver, who died unexpectedly following a stroke which he suffered at his beautiful lakeshore home, "Letts Stay," three miles south of Tahoe City. This entire locality offers sympathy to the bereaved family.

Mrs. Abbott Ill
Neighbors here were sorry to hear of the recent ill health of a summer resident, Mrs. Irma Abbott, who suffered a slight heart attack at her home on the Cliffs in Tahoe City. Mrs. Abbott left during the weekend for her former home in the coastal regions.

Enjoys Visit
On Saturday we greatly enjoyed a visit from Mrs. Dorathe Porter, wife of Bishop Noel Porter, and her young granddaughter, Bevvy Lou Raugh. Mrs. Porter says that she and the bishop are happily looking forward to their retirement early this fall, when they will settle permanently in their new country home which is now nearing completion. She says the bishop is writing a book, and when he is free of his arduous, though long-beloved duties, he will be at leisure to put his best efforts into his writing.

Sell Home
Another pair of Tahoe old-timers

during the past week sold their home of many years standing, and are leaving here within the next few days. They are Mr. and Mrs. A. C. Stoddard, who have occupied their home in the Lake Forest community through the summer seasons since 1936.

Purchase Property
It is reported here this week that Mr. and Mrs. William Cook, recently of the Homewood area, have purchased the former Santos property, a large modern house that stands on the lakeshore Cliffs at Tahoe City.

Vacation
Mr. and Mrs. Richard Carrington of Los Angeles are still enjoying "Koala," their cool and comfortable home on the wooded shore of Carnelian Bay. Other couples who plan to stay late this year in the cool mountain atmosphere include Mr. and Mrs. Bert Scott and the Bud Scotts in the Tahoe Park area, Dr. and Mrs. Henry Searls at Carnelian Bay, and the E. P. Stoles on Dollar Hill.

Lake Vacation
Mr. and Mrs. R. H. Walker and family who spend the winters in their bay region home near Piedmont, are spending the mid-summer weeks here in the former Henry Droste home near Homewood. Mrs. Walker was the former Carol Droste, a daughter of Henry Droste an old-time lake resident.

Short Visit
Mr. and Mrs. Arthur D. Angel and family of Piedmont arrived here during the weekend for a short vacation at "Fernmoore," the lakeshore summer home of the R. C. Moores who are Mrs. Angel's parents. Their son, Robert Angel, with his wife and young daughter, are expected at Fernmoore within the week.

At Sunnyside
Mr. and Mrs. Bruce Dohrmann of San Francisco are vacationing this week in their summer place at Sunnyside Beach. Their son, Errie, who is enlisted with the armed forces, recently received permission for a three weeks leave, and plans to spend most of the time with his parents.

At Carnelian Bay
Mr. and Mrs. E. Montgomery Pierce of Los Angeles are again spending a vacation period in their lakeshore home near Carnelian Bay. On their way up from the warm southland they stopped off in Monterey for a visit with their son, Monty, who is stationed at the service camp there.

Anderson Guests
Mr. and Mrs. Aubrey Smith of Missoula, Mont., with their son Gary, were houseguests over the weekend at the A. M. Anderson home here. Mrs. Smith is Red's sister. Their mother, Mrs. Martin Anderson, also of Missoula, is 91 years old this year and only recently she won the prize for knitting, in her hometown fair.

Birthday Party
Mrs. Eunice Henriksen of the Lake Forest vicinity was hostess on Friday afternoon at a birthday party given in honor of her young daughter Heidi. Most of the nursery school class were on hand for the fun, accompanied by their mothers. The celebration, according to reliable report, took the form of a beach party, a cool and pleasant way of spending the afternoon. Refreshments were enjoyed by all.

Club Meets
The Tahoe Women's Club held their regular luncheon-meeting last Thursday at Donaldson's Cafe in Tahoe City, with Mrs. Blanche Donaldson as hostess. The turkey-plate lunch with trimmings was served in the cool outdoor patio, and the after-luncheon hours were spent socially, and in planning the club's concessions on the Gold Cup race occasion. The Women's Club will have five concessions on that day, one in the front of the Porter's clothing store on Front street, two along the beach on the town commons, and two in the vicinity of the Tahoe Boat Company's pier. From these points they will sell candy bars, beer, not coffee, popcorn, snow-cones and various cold drinks. Several of the club members will act as sales ladies. Fifteen members and four guests were present at the social meeting, which was presided over by Club President Doris Clarke. The next meeting, two weeks from Thursday's date, will be a purely business session, and it has not yet been decided where it will be held.

File Papers

SACRAMENTO—Donner Summit Tramways, Inc., filed articles of incorporation with the secretary of state's office here, with its stated purpose the building of a chair

lift and parking facilities for skiers. The organization is capitalized for \$500,000.

Directors, all Sacramento residents, are Anthony J. Kennedy, James A. Clayton, Rosemary E. Crowley.

**State of California
Department of Public Works
DIVISION OF HIGHWAYS
NOTICE TO CONTRACTORS**

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 B Street, Marysville, California, until 10 a.m. o'clock on September 15, 1955, at which time and place they will be publicly opened and read, for performing work as follows:

Nevada County, at Donner Summit Maintenance Station (III-Nev-37-C), roof on wood frame metal covered building to be repaired.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered un-

less it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to

**UTILITY DISTRICT
SETS TAHOE RATES**

TAHOE CITY—Directors of Tahoe City Public Utility District have adopted a budget for the fiscal year 1955-56 in the amount of \$12,020, with a tax rate of \$1.62 on the hundred, 13 cents below the rate of last year. The money will provide for bond redemption, interest, and street lighting in both business and residential areas of the town.

C. W. Vernon, manager of the district, said the directors had expected to reduce the amount of money needed this year, but that trouble at the sewage treatment plant, and with one of the booster pumps, have greatly increased operation costs, together with \$978 in delinquent sewer service bills, which have had to be entered as liens on the various properties. The delinquent bills are to be made a part of the tax imposed on the various parcels of land, and collected by the county as provided by the Public Utility Code.

**State May Issue Liquor
Licenses After 16 Years**

SACRAMENTO (CNS)—Russell S. Munro, state alcoholic beverage control director, said the state may issue off-sale liquor licenses after the first of next year for the first time in 16 years.

Munro said the licenses would be issued in Orange County only, where, he said, population increases would permit granting of about 40 licenses.

The liquor director told a meeting of the governor's council that the current selling price of liquor licenses in that county runs about \$35,000 apiece, indicating a need for new licenses. The state fee for new package liquor store licenses is \$3000.

State law limits issuance of off-sale licenses to one per 1000 population. This includes beer and wine licenses.

Munro said he would have to check population figures for Orange County before making a final decision.

Lick Observatory on Mount Hamilton, one of the University of California's eight campuses, was established in 1888.

omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate per hour	Classification
\$2.90	Carpenter
2.175	Laborer
2.725	Painter
2.75	Roofer
3.00	Sheet metal worker

Any classification omitted herein not less than \$2.175 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Mrs. Barney Phipps wrote the Sierra Sun of a new address at Elkhorn Village due to the definite increase of homes in that vicinity.

The former local resident said that she will resume full time teaching at the opening of school. The couple's oldest son, Barry, will enter high school and Brian was chosen as the only boy in Broderick to take part in a campaign film for the United Crusade drive. He is active in sports and the school orchestra. Bernal, the youngest, will enter second grade this year.

ROTARY OF CRIME**

TAHOE CITY—Judge Harry Charrison of the Tahoe Judicial District Court was guest speaker at the August 30th luncheon-meeting of Rotary Club of Tahoe City. The judge told of an increased number of criminal cases this summer, which he said included more juvenile cases than usual. His talk was pleasantly interspersed with description of humorous events in his court.

There were 28 visiting Rotarians present. President Vernon Bartlett presided, and Basil Kehoe was program chairman. The next meeting of the club will again be held in the Tahoe Inn's dining room at luncheon hour on Tuesday, September 6. It will probably be decided at that time when the schedule of noon-luncheon meetings will be changed to the evening-dinner meetings of the fall season.

VETERAN ENGINEER ON S. P. RETIRES

George W. Bryant of Roseville last week stepped down from the San Francisco Overland as engineer, to close 49 years of a rail career with the Southern Pacific Company.

Bryant who is well known here, spent several summers in Truckee while he worked on helper engines. Mrs. Bryant is a sister of Mrs. Henry Loehr.

A large gathering of fellow workers was on hand at the depot to greet the veteran on his last run and he was presented with a life honorary membership in the Brotherhood of Locomotive Engineers.

Started in 1906

Bryant started his railroad work on the Santa Fe in 1906 and a year later transferred to the SP as a locomotive fireman when Rocklin was the chief terminal on the Sacramento division.

When the railroad moved its shops and yard here in 1908 Bryant moved with it.

Witnessed Changes

During his years of service he witnessed the development of the iron horse from the tiny eight and 10 wheelers to the giant mallets and finally saw the steam power retired in favor of the modern diesels.

"The diesels are wonderful machines," he said, "but somehow they have taken the romance out of railroading."

Bryant has been at the throttle of engines in all classes of service and in 1946 he spent the summer in the snowsheds at Norden as the engineer of a fire train.

For the last eight years he was assigned to the passenger engine-men's pool between Roseville and Sparks.

According to SP officials Bryant's safety record is excellent.

At Fair—

Merrill Englehart celebrated his 13th birthday on September 3 by attending the state fair at Sacramento with his family, spending the weekend in the Capital City.

Berg Here—

Gil Berg, former local resident, now stationed at Biggs with the state department of fish and game, was here looking after local property this week.

Telephone Company Has Special Service At Fair

Visitors to the state fair in Sacramento, September 1 through 11, will have a chance to win a free telephone call anywhere in the United States.

And what's more, they'll be able to dial their long distance call directly to a special "Telephone of Tomorrow."

It's only one of the features of the Pacific Telephone exhibit of communications marvels, located in the Industrial Building.

South to School—

Mrs. William Englehart, Jr., and daughter Irene, left this week for Arcadia where the latter will enter high school. She will live with her uncle and aunt, Mr. and Mrs. Freeman Campbell, during the school semester.

Went to Berkeley—

The G. E. Graham family left for Berkeley following a vacation here.

California has four wilderness areas comprising 962,488 acres within its national forests.

Guest From City—

Mr. and Mrs. Frank Quilici had as their guest last weekend, Mrs. Frank Smith of San Francisco, a former local resident.

Berliner on Business—

Mr. and Mrs. Harold Berliner of Nevada City were Thursday business visitors in Truckee.

Improved—

Mrs. Robert Saunders is improved following several days in bed last week as the result of a wasp bite.

Picnic on Natal Date—

A family picnic at Reno and target shooting rounded out the 12th birthday on August 31 for Timothy, son of Mr. and Mrs. Eugene Risden.

Visits Mother—

Mrs. John Gracik and daughters, Carol, Donna and Cindy of Reno were visitors here on Tuesday, the birthday of Mrs. Hannah Stewart, mother of Mrs. Gracik.

FOR SALE: Electric stove, frigid-aire, Thrifty "30" V 38 model. Fully automatic. Never used. \$205. Inquire Mr. Miller, meat department, Rose Market. ttc

From Pomona—

Mr. and Mrs. Chase Harper left for Pomona this week. Their Truckee River place is being occupied by their son-in-law and daughter, Mr. and Mrs. David McComas who were married last June. After a brief stay here McComas will assume his position as a teacher.

Ryans From Long Beach—

Mr. and Mrs. Don Ryan of Long Beach left this week for the south after a visit with Mr. and Mrs. Jack Ellis. The Ryans formerly lived here and met many of their friends during their brief stay.

ENTERTAIN GUESTS

Mr. and Mrs. William Carver entertained the following guests over the Labor Day weekend: Mr. and Mrs. Jack Andrewson of Sacramento. Also visitors entertained during the previous week were Mr. and Mrs. William Eastham, of San Jacinto, and their son, Sgt. Howard Eastham, stationed at McClelland Field, in Sacramento.

The family of Charles Calhoun, Jr., of Sacramento has been vacationing at Donner Lake.

Wagner cast iron breakfast skillet

Introductory price **\$1.69** (Regular price \$2.15)

The separate egg compartments prevent the eggs from spreading all over the skillet. The separate bacon compartment controls the melted fat, allows the eggs just enough grease for perfect texture, tenderness, and flavor. This skillet is made of WAGNER cast iron—thick cast iron—which prevents foods from sticking. Heat is held at an even temperature all over the skillet; there are no hot spots. Handle has comfortable thumb rest.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN BATTLED A SAVAGE GORILLA, AND WAS SURPRISED WHEN HE RECEIVED A COURAGEOUS ASSIST FROM THE GIRL HE WAS DEFENDING!

SOON THE GIANT GORILLA CRUMPLED BEFORE HIS CONQUERORS. "I-I SUPPOSE I SHOULD THANK YOU," SAID THE GIRL, HESITANTLY.

TARZAN WAS AGHAST-- SHE HAD SPOKEN IN THE LANGUAGE OF THE APES! "PLEASE, WHO ARE YOU?" HE MANAGED TO ASK. "I WISH YOU NO HARM--"

"I KNOW," SHE REPLIED, "CHEEKA AND MY PEOPLE WOULD TEAR YOU TO SHREDS." TARZAN'S BROW FURROWED. "CHEEKA? YOUR PEOPLE--"

HE RECOILED SUPPENLY, WHEN A HUGE, CHATTERING MANDRILL DROPPED DOWN TO GREET THE GIRL--

AND THEN, TURNING, TARZAN SAW TO HIS AMAZEMENT THAT THEY WERE ENTIRELY SURROUNDED BY A BAND OF FIERCE BABOONS!
